

Contact lens! Best thing ever!!

Dear Doctor William Berke,

I just wanted to tell you that these reshaping contact lenses are the best thing ever. I absolutely love them!! What I love most is I can see perfectly when playing sports and not have to worry about contacts or sports goggles. I also love that I don't have to wear them during the day. These contacts are so convenient and comfortable. All I have to do is put them in when I sleep and when I wake up I can see a perfectly.

Love these Contacts!
